

FLINT & SAGINAW ODYSSEY HOUSE, INC

STATISTICS

- Odyssey House continues to serve co-occurring clients at a much greater rate than the national average.
- Average level of education for clients coming to treatment is the 12th grade.
- Odyssey House had 1269 Unduplicated clients for the Fiscal Year 2016-2017. (Housing is not included in overall total as those clients are in other services.)

PROFILE

Flint, Saginaw, and Port Huron Odyssey House drug and alcohol treatment programs continue as the heart of the Odyssey Village's holistic and comprehensive recovery management service array. In addition to providing residential and outpatient drug and alcohol treatment services the Odyssey Village includes a virtual village of services that recognizes addiction as a chronic problem that requires a long term relationship through a therapeutic community.
